

# Parkland Model Congress | 2010

Parkland High School's Political Science Club and the Parkland Model Congress Executive Board are pleased to announce the second annual Parkland Model Congress, to be held on Friday, April 30, 2010 at Parkland High School. This year's Congress will build on the successes of last year's conference, and we have made some significant improvements to help make PMC | 2010 run as efficiently as possible.

Parkland Model Congress is a unique opportunity for area schools to experience a local conference focused on policy debate of the United States Congress. This year's conference will consist of two Senate committees, two House committees, and two crisis committees: the Joint Chiefs of Staff and the presidential cabinet. Our Board of Directors is working diligently to ensure that PMC | 2010 will be run professionally and that the conference will be fun for everyone involved.

To register as an outside delegation (any participants outside of Parkland High School), visit our webpage, [phsmodelcongress.weebly.com](http://phsmodelcongress.weebly.com). There, you will find links to our registration pages on the lefthand side. Just click "Registration," > "Outside Schools," and a club advisor or faculty member will be able to insert contact information as well as an estimated number of participants.

All registration should be complete by April 1, 2010, in order to ensure that your delegates will be assigned properly into committees. We will try to accommodate your delegates' preferences to the best of our abilities via email contact once you have registered initially. You should receive confirmation by a member of our staff soon after you have registered so that we can begin the process of assigning delegates to committees.

Please check back to our webpage's "News" page, where we will continue to upload important documents, information, and assignments for each advisor to view. You may also feel free to email us at [phsmodelcongress@gmail.com](mailto:phsmodelcongress@gmail.com) with any questions or concerns. This year, the Board of Directors has chosen not to charge any registration or participation fees to our participants. We have included an optional donation form if your delegation would like to contribute to our budget. Your gift will allow us to ensure that PMC will continue to run in the future and help us to improve our operations.
